SB.16 AN ACT ADDRESSING GUN VIOLENCE AND JUVENILE CRIME

Good Morning,

I strongly OPPOSE SB.16 AN ACT ADDRESSING GUN VIOLENCE AND JUVENILE CRIME. This bill will criminalize law abiding citizens in Connecticut and will do NOTHING to stop the criminals. This bill will not reduce crime rate; please look over this bill using your common sense. Residents of Connecticut are law abiding citizens and have followed the laws every step of the way in our right to carrying and owning our LEGAL firearms here in Connecticut. Thank you for your time.
